Comments: Vehicle taken to Fourth District Station for Safekeeping											
<p style="text-align: center;">Narrative (Event and Action Taken.)</p> <p>On September 12, 2011, members of the Metropolitan Police Departments Third District Crime Suppression Team conducted a traffic stop on the listed gray Mercedes 4 door vehicle bearing Maryland tag# 58998CD which was observed to have a right front headlight not operational (See NOI: One headlight running NOI # 261243544). Officer Logan initiated a u-turn, pulled directly behind the vehicle and activated both the police vehicles emergency lights & siren, subsequently conducting a traffic stop upon the listed vehicle within the 600 Block of Florida Ave NW. Officer Logan approached the drivers side of the vehicle, while Officers Winston and Warcholak approached the passenger side of the vehicle. Officer Logan contacted the vehicle driver and lone occupant who was later identified as Defendant (Brown, Sulimon) and advised him of the reason for the traffic stop. Officer Logan asked Defendant (Brown) for his drivers license, registration and proof of insurance all of which he provided. An NCIC/WALES check of Defendant (Brown)s Maryland drivers permit via the scout cars Mobile Data Terminal computer reveled Defendant (Brown)s drivers permit to be in a Suspended Status within the state of Maryland. Members further queried the Third District dispatcher, who also confirmed the the suspension over the radio zone. Officer Logan advised Defendant (Brown) of his suspension and asked him politely to step out of his vehicle. Defendant (Brown) refused to comply and immediately rolled up all of his vehicle windows, locked all four doors, grabbed his cell phone and made a phone call. All three of the officers on scene each took turns asking Defendant (Brown) to step out his vehicle looking for his cooperation and compliance; however Defendant (Brown) refused police orders and continued to sit in his vehicle. During this time Sergeant Boteler arrived on scene to assist the listed officers. Sergeant Boteler identified himself by both name and rank to Defendant (Brown) and asked him to step out of the vehicle, but Defendant (Brown) further refused police orders. Sgt. Boteler advised Defendant (Brown) that his refusal to exit the vehicle would lead to his arrest for Failure to Obey a Lawful Order. Defendant (Brown) advised Sgt. Boteler I understand what your saying, but I dont want to get out right now, I want an Official. Sgt. Boteler acknowledged Defendant (Brown) and again identified himself as an MPD Official both verbally and by presenting his displayed MPD Sergeants Badge and MPD Identification Card. Finally after several requests from Sergeant Boteler, Defendant (Brown) stepped out of his vehicle. Sergeant Boteler advised Defendant (Brown) that he was being placed under arrest for No DC permit and Failure to Obey a Lawful Order. Defendant (Brown) replied by stating Thats OK, you all know who I am, Ill have each and every one of you on the news by next week! Defendant (Brown) was placed</p>											

under arrest by Officer Logan and was subsequently transported to the Third District for processing. Defendant (Brown)s vehicle was impounded for Safekeeping and was subsequently placed upon the 4th District secure lot. ABC Towing (Crane 6) relocated the vehicle as described. During an inventory of Defendant (Brown)s vehicle, members located a 26 inch retractable ASP baton which was recovered from the back of the vehicles passengers seat map pocket. Additionally, members also located a laminated window placard which read Metropolitan Police Department POLICE Official Business also displaying the MPD Patch upon it, recovered from Defendant (Brown)s vehicle glove box. Both items were recovered as evidence.
